We invite our readers to read carefully these ads, for they carry bargains, and it will be to your interest to take advantage of the opportunity offered you. NEWS FROM PELZER.

Pelzer, Feb. 26.—Of the many pretty functions given for the J. U. G.'s quite one of the prettiest was a brilliant party given by Misses Carrie and Esther Lander at their lovely home on Lobby street. The ladies home at ways pretty was exquisitely beautiful on this occasion in its lovely red and green decorations. Hearts were used profusely.

Red carnations and ferns added a most artistic touch of color. During the first part of the evening progressive conversation was enjoyed. After this the young men drew from a heart covered box a card which had tied to it a tiny heart bearing the name of his partner. Each young man, now with his fair partner proceeded to write a telegram, using the letters in St. Valentine using each letter as it came as the first letter of a word in writing his telegram. The reading of these telegrams caused much merriment.

Then the postoffice (?) was opened and the young people received their Valentines, which also proved very amusing. The Misses Lander served a very tempting and most beautifully gotten up sweet course to the happy guests. Mr. and Mrs. Lander very ably assisted their daughters in entertaining. Those who enjoyed this lovely party were Misses Stokes of Lander College, Carrie Crane of Hendersonville, Belle and Sue Clark, Golden Grove, Maude Stewart, Edith Digby, Sara Cobb, Mr. and Mrs. John McBrearty and the Misses Lander; Messrs. LESS MEAT IF BACK AND KIDNEYS HURT

Take A Glass of Salts to Flush Your Kidneys If Bladder Bothers You—Drink Lots of Water

Eating meat regularly eventually produces kidney trouble in some form or other, says a well known authority, because the uric acid in meat excites the kidneys, they become overworked; get sluggish; clog up and cause all sorts of distress, particularly backache and misery in the kidney region; rheumatic twinges, severe headaches, acid stomach, constipation, torpid liver, sleeplessness, bladder and urinary irritation.

The moment your back hurts or kidneys aren't acting right, or if bladder bothers you get about four ounces of Jad Salts from any good pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush clogged kidneys and stimulate them to normal activity; also to neutralize the acids in the urine, so it no longer irritates, thus ending bladder disorders.

Jad Salts cannot injure anyone; makes a delightful effervescent lithia-water drink which millions of men and women take now and then to keep the kidneys and urinary organs clean, thus avoiding serious kidney diseases.

SAGE AND SULPHUR DARKENS GRAY HAIR

Brush This Through Faded, Lifeless Locks and They Become Dark, Glossy, Youthful

Hair that loses its color and lustre, or when it fades, turns gray, dull and lifeless, is caused by a lack of sulphur in the hair. Our grandmother made up a mixture of Sage Tea and Sulphur to keep her locks dark and beautiful, and thousands of women and men who value that hair which is so attractive, use only this old-time recipe.

Nowadays we get this famous mixture by asking at any drug store for a 50 cent bottle of "Wyeth's Sage and Sulphur Hair Remedy," which darkens the hair so naturally, so evenly, that nobody can possibly tell it has been applied. Besides it takes the dandruff out, stops scalp itching and falling hair. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By rubbing the gray disappears; but what delights the ladies with Wyeth's Sage and Sulphur is that, besides beautifully darkening the hair after a few applications, it also brings back the gloss and lustre and gives it an appearance of abundance.
